

## Lucien Philip Lepage

June 11, 1963 - January 22, 2026

Lucien (Lou) Philip Lepage, age 62, formerly of Milford, Connecticut and a longtime resident of Vero Beach, Florida, passed away on January 22, 2026. He was predeceased by his parents, Margaret and Philip Lepage.

Lou is survived by his longtime fiancé of 25 years, Louise Struzinski. He was a devoted dad to her three sons whom he cherished and proudly raised as his own, Joseph Struzinski and his wife Shanna, Michael Struzinski and his fiancé Ashley Hoberg, and Anthony Struzinski and his fiancé Nicole Lawrence.

He was a proud and loving grandfather, affectionately known as "Pop Pop" to his four grandchildren, Emma, Cali, Amelia, and Alex. He is also survived by Barbara Lepage, wife of his late father Philip.

Lou also leaves behind his cherished pets, Bella, Kailee, and Cash (affectionately known as his Monkey Boy).

Lou had a passion for cooking, often bringing family and friends together around the table. He loved boating and fishing and especially treasured his yearly vacations to Murphy, North Carolina, where he spent time with Louise and their dogs, creating lasting memories.

Lou's life was defined by his love for family and friends, and he will be remembered by all that knew him. He will truly be missed.

A celebration of life will be held at a later date.

“ Dear Louise and Family, I am so sorry for the loss of your fiancée Lou! Words cannot express the grief, sadness and pain that you must be feeling right now. When I go for a walk in the morning and are out front there is an empty space in my heart and the street where Lou was always walking the dogs. We miss his cheerful smile (most of the time) 😊 every day! Remember that we are always here for you! Love Wendy

*Dear Louise and Family, I am so sorry for your loss. I know words cannot express what you are going through right now! When I go for a walk or am outside there is an empty space where Lou was always walking the dogs! His cheerful hello (most of the time) 😊! “ Oh Lou Lou....I wish I wasn't posting on this wall. Things should have worked out so much different than this but I know Bailey was waiting for you at the golden gates. Thank you for so many core memories...We love you, we'll miss you....rest easy.

“ Although we were neighbors for many years, we recently met through our love of animals. Lou was a fierce champion for the abused and neglected. We’re both so sad to have had his friendship for such a brief time. Louise—our other dear friend—we are here for you when you need us. ☐ 🟡

“ Lou was one of my best friends. He always made me laugh. He got me back into boating and were some of the best times of our lives. We laughed together and cried together. Life had its ups and downs but some how we got through it all . I have many memories from cars to bars to just doing stupid things that I can look back on and wonder how I made it through. He always had great ideas made lots of money and lost lots of money. His intentions were good but didn't always work out . Regardless he was always there for me. I will miss him dearly. Always your friend Tom and Lucy. Louise we are here for you whenever you need us. ❤️
