“ *My Aunt Nadine, she was two years younger than me, we grew up like sisters. I remember her at all the stages of her life, she was a force to be reckoned with, a strong woman, a loving Mom for her son Martin and her Granddaughter, Penlea. She became a grandmother hours after i did, both babies where born on her birthday, December 11! Here's a toast to you to celebrate your life.*  
*Love, Pat*

“ *Nadine was a perky lady. Her smile and laughter could light up a room. I met her at church. I am thankful we became friends. My heart goes out to Martin and all the family. I will ever forget her beautiful smile.*
