“ Dear Felton, Harold, & Vickie, I wanted to say I was so sorry to hear about Lurline. I always thought so much of her. She was truly a very special person to me. No one could ask for a better person to be a friend. She will always be in my heart. I have always loved her. I love all of you & although I don't live in Newnan anymore I have thought about you often. I could never forget such special people. You all are in my thoughts & prayers. Just remember all the good memories you have of her. She was truly a fighter. I will never forget when I came to Newnan & would call her she was always glad to here from me & she always told me she loved me. That is the kind of person she was. Heaven has 1 more special angel there and it is her. I imagine her and granny have already been able to see each other. They are truly in a better place than us. Love, Paulette Taylor Maney

“ Big Daddy, I'm working in receiving now at Bonnell....doing your old job. We were just talking about you and Big Mama last week, how sweet and how close you two are and the memories of when you had the day care and Big Mama kept Michael for me. That was years ago, but we haven't forgot you....you two were always special to us. I just told Ricky I was going to stop by and see you. I went to church with Michael at Oaklawn the other week. He said ya'll were going over there, but you werent there that Sunday. I'm glad she got to see my grandboys...they are little Michael's too...I'm going to really miss seeing ya'll together. I know Big Mama is in heaven now with my mama and that just gives me another reason to go. You hang in there Big Daddy. I know it's goning to be tough, but you got a lot of good memories of her that will live on forever! Everybody does. She was such a good person. Love you, Melba Bowie

“ *Harold & Vicki, You had one of the sweetest moms in the world. I remember when we met in grade school and she was always a part of your time there. Mr. Felton, I will never forget how sweet you guys were to myself and David when we moved into the little trailer beside your home. We have our first child there and you were so gracious and helpful to us. I know there will be lonely times for you but rejoice in all the memories you have of her. She was a real jewel! Love to all of you! Dale Westbrook*
