“ *Daddy...although it's been over 7 years since you went home, I'm still shattered and always will be until I get to see you again...I miss hearing you call me Sweetheart and will always be your "lpo"...you were and always will be my hero! He just doesn't make them like you anymore...a wonderful husband, beloved Daddy, and awesome Papaw, as well as a loyal and true friend to all who were blessed to have you in their lives! I think that it'll be sooner than we all think that I'll get to see and be with you again and hear that precious name that you called me..."SWEETHEART" honestly I cannot wait! Love you forever and miss you more everyday, and just so that you know, it only hurts when I breathe...🥹❤️💋💋💋*

“ *Brenda and Ladonna, I'm so sorry to hear about Luther. I'm glad I had the opportunity to see him some 3 or more months ago at the Kroger gas station. I could tell he was getting a little frail, but he still had that wide smile and a good spirit. My heart and prayers are with you during this time. May God bless you. Kelvin Thompson*

“ Hold tight to memories for comfort. Lean on your friends for strength, and always remember how much you are cared about. May you take comfort in knowing an angel is watching over you. When we lose someone we love, it seems that time stands still. You have my sincere condolences on the loss of your father. Those we hold closest to our hearts never truly leave us. They live on in the kindness they have shared and the love they brought into our lives. "If you need to talk, I am always here". Thinkin of u, always, Kim :O)

“ I just read in the Newnan paper about the death of Luther. I am so sorry to hear about this. Luther was a good friend and I got to know him when he worked with Buddie. Rochelle has this terrible disease called MSA and is confined to a wheelchair and that is the reason we could not come to his funeral; however all of you are in our prayers Love Hershall and Rochele
