“ Lynn was a neighbor before coming to Georgia. Our children played together when they were little. I worked with Lynn for many years at Kason after moving here from Pennsylvania. He was a good coworker and knew how to fix or repair almost anything at work and at home or his auto. Our sincere thoughts and prayers are with Karen and the rest of the family. Stan and Diane Darrow and family.

“Lynn was my right hand in building the Kason Georgia plant starting in 1979. He was invaluable in getting our new diecasting department up and running. I also loved to listen to his stories of flying in B29 bombers.

Rest well my friend it was a pleasure working with you and knowing you.
