“ Miss you so much Madison, perfect angel. We send our love and prayers to all. Madison would say: When I am gone, release me, let me go. I have so many things to see and do. You mustn't tie yourself to me with tears. Be thankful for our beautiful years. I gave to you my love. You can only guess how much you gave to me in happiness. I thank you for the love you each have shown. But now it is time i travel on alone. So grieve awaile for me, if grieve you must. Then let your grief be confortd by trust, It's only a time that we must part, So bless the memories within your hearts. I wont be far away, for life goes on, So if you need me, call and I will come, Though you can't see me or touch me, I'll be near. And if you listen with your heart, You'll hear all my love aound you soft and clear, And then when you must come this way alone, I'll greet you with a smile and say... "Welcome Home" We love you all Dave and Punkin

“ My prayers are with you. Gone too soon, but our heavenly father has a plan for little Maddie. My heart hurts for you, I cannot even imagine the pain and sorrow you are experiencing, but we must believe that the lord will watch over each of you and see you through this time of loss and sadness, and fill the emptiness as you continue through the days ahead. Your little Angel shared four years with you here on earth and she will be waiting for you, when you are called home. Oh what a reunion that will be. Stay strong, lean on your family and friends, but most of all keep your faith and trust in our heavenly father. God bless you.

“ May God be with the whole family now and the next days to come. A child should never die before a parent. Its a pain no one understand, unless they have gone through it. Little Maddie will be missed dearly but God had more important plans for her. God bless
