“ I worked with Mandy at Lifetouch. I always enjoyed her being around. Whether it was a heart to heart sharing moment or laughing and being silly. I enjoyed her company. God's grace and peace be with you at this time.

“ *When I think of childhood, you are a big part of that. Long days playing together at Aunt Ruby's house. Hide and seek late into the evening while the grownups talked. I will never forget those days or you. My prayers is that those left behind find peace as you begin this new journey.*
