“ Our condolences for the sad update about Mangubhai. May Almighty bless you all (Ruxamaniben, Vijay, Sharmila and family) courage to bear the loss.

And, we pray God for his soul to rest in peace.

Unique personality, I consider blessed to have him, acquainted, colleague at IEPA, a pier, and a friend with a good heart in the maze of this life.

So much fun we had working at the same place, and sarcastic conversations we had at times, picnic times, fun moments would always be sweet memories. Excellent quality of being a Gardener and Handyman- Unreserved sweet personality!

I was so very sorry to hear of the death of your husband, your father, your grandfather and my friend!!!

I have many memories of our gardening times. He taught me things and I think he learned a few things from me. Always pleasant, always ready to talk planting and always willing to help me if I had problems. I am going to miss him so much. Hoping all of your good memories will comfort you in the days ahead. My husband, son and I were neighbors with Mr. Patel for almost 9 years. I like to think that we were more than just neighbors. He was so loving and kind towards us, but especially to our son. Mr. and Mrs. Patel knew he liked cucumbers and they would grow them for him every summer. Mr. Patel would always have just the tool we needed or ingenuity to solve a problem. It's no secret I had a soft spot for him and always will. Sending lots of love to Mrs. Patel and the family. Wishing him peace.
