“ My deepest sympathy to the Farmer family I worked with Manor for many years at Walmart. Manor was a very kind man that truly loved his family. He spoke of his girls everyday. He loved them dearly. He always called home each and every day to ask his wife if she needed anything. Manor you will be missed and thought of often. My prayers will be with the Farmer family during this time of sorrow. May God bless you Karen Warfield and Family

“ It has been a long time since I heard Manor Farmer's name but Cross Keys, the USS Shangri La are common threads in our lives, I was a Marine on the Shang and Manor was ship's company. That is like being from the same town and not knowing your fellow townfolk. We did not know that we were on the same ship until we ran into each other on liberty call in Malta. He would have loved to make it to the 50th class reunion that is coming up in Sept 8 and 9 2011 in Dillion Ga. Mike Forde is heading up the reunion. Hope to see a lot of Indians there. Ralph Lynn

“ So saddened to hear about Manor. The Holiday Hunting Club is going faster that I would have ever imagined. Jack is so fond of all of you and when we married you accepted me quickly and lovingly. (and shared beautiful Taffy) I can remember always passing Manor on I-75 as we both headed toward Marietta on our way home from work. Even though I drove much faster he always seemed to arrive home about the same time. We were like the tortoise and the hare! And who could forget the fireworks on the 4th! He was the master! Much love to all of the Farmers. Jack and I plan a visit soon. I will keep everyone in my prayers. Sylvia

“ I too have not been in touch with the family for many years but ALL of you have been in my thoughts more regularly than you could ever imagine. Your family provided me with SO MANY fond memories growing up that I can count on them revisiting at least a few times every year. The 4th of July will never belong to anyone but Manor Farmer and still does every year when I go to see fireworks. No matter how large or small the event they never seem to measure up and honestly, they never will. I didn't know him much as Manor but more as “Dad” or “Daddy” and I will hold dear and cherish all the memories he so kindly shared with me. Though he said very little his actions were HUGE and he always made me feel special. My thoughts and prayers are with all of you. With Much Love and Sincerest Sympathy, Ann Kammer-Dudek (Fannie-Annie)

“ Marina and Family, I am so sorry for your loss, he was always a quiet, kind person. I was friends with him and his sister Faye, she and I played basketball at CK. I also knew his parents and other siblings, I moved away and loss contact. I pray for you and your family, may God give you the strength you need to carry you through this difficult time. God Bless!

“ We all had heros growing up and Manor was one of mine. He helped me greatly in high school as a mentor while I was on the wrestling team. I am so glad that I got to see him many times around Newnan over the years. Please know how highly he was regarded by those of us who consider him a brother. May the pain of your loss ease with time as I know how much he will be missed.

“ Marina and Family, I was so sorry to hear about your loss. We never got to really know each other well, but I still consider all of you family through Treena. She and the kids are such a huge part of my life as I know they are yours. You and Manor did a great job raising Treena that I'm sure it's the same with all your girls. Thanks for sharing those 3 adorable kids with me for 1 week each summer! My thoughts and prayers are with you as you go through this sad time in your lives. Love, Cindy

“ Marina and family, I was in high school with Manor at Cross Keys and moved away in the '60s. Manor was a wonderful friend as I remember him. You have quite a family and I know he was proud of all of them. I send prayers for all of you and a special hello and condolences to Faye, as we were team mates in basketball while at Cross Keys. God be with you all. Judy Ware Kelly, Charlotte, NC

“ Dear Family: what a joy it was to have known Manor, wife and Faye as I went to school with them. I am one of Richard Steinhurst's "little" sisters as I am a twin along with Joan. What fun we all had in high school. My prayers are with you all as you go thru this journey together.

“ This Easter weekend we lost a friend. Manor Hollis Farmer, Jr. To all of us he was just Manor. If you attended Cross Keys High School from 1958-1962, you knew Manor. To me, Manor was “The Fonz” before there was a “Fonz.” He didn’t talk a lot but when he did, everyone listened. They say we all have our 15 minutes of fame. Mine came when Manor was Captain of the Cross Keys Wrestling Team and I was lucky enough to be Co-Captain. Manor and Coach Edenfield pushed me to a State Championship. Wrestling, Football, Baseball, you name it...Manor could do it. One of my fondest memories was just before Coach Edenfield passed. Manor, Don Jones and I visited him in the Hospital. He was so proud and the last thing I remember him saying “they don’t make them like you boys anymore.” I can tell you, they don’t make them like Manor anymore. Marina, when he choose you, he choose well. His beautiful High School Sweetheart. I’m sorry for your loss but to have spent all those years raising 5 beautiful daughters together... WOW. My biggest regret is not making time through the years to let friends you and Manor know that you are special. My Friend, rest in peace...I will miss you. Ron (Leldon) Taylor

“ Dear Friends, I will always remember Brother Farmer as a man of few words but a huge heart. There were so many times that I can remember seeing his humorous side come out, sometimes without him having to say even one word. I know he loved you all, just as you all loved him. He was a wonderful man and it was always clear to me that he treasured the things in this life that are most important. I believe with all my heart that our Heavenly Father knows the depths of our hearts - most times even better than we perhaps know them ourselves. He considers every single situation - I do not believe that things are always categorized by Him in only black or white. He handles each and every one of us in ways that are absolutely unique and personalized to our situations. I know Brother Farmer's heart was good and I know that fact will not be overlooked. I will keep your family in my thoughts and prayers as you all readjust and go through this sad time. I love you all...what a wonderful family Brother Farmer created during his time here!!
Love, Ginger

“ I am so sorry to hear of your loss. Manor was a fine person. I have known the family for a very long time but have not been in touch for many, many years but I do think of all of you. I adored your father Hollis and your mother was a beauty. Please accept my prayers and love to the family.
