“ *Stephanie, I am sorry to hear about your family's loss. If there's anything that I can do to make this time easier, please let me know. I would like to offer a hand during this sad time for your and your family. I'm not great in the kitchen, but my kids tell their friends I'm not "that bad..." I would be happy to bring dinner to your family one night? -consider it one less thing for you to think about.*
