“ I am sorry to hear about your loss. Your mother worked with my mother, Lynda Livingston at the post office and shared the same illness in the end. I remember over hearing them on the phone discussing the distaste for their oxygen nasal cannula and reminiscing about the good ole days. Your family will be in my thoughts and prayers

“ Sorry for your loss. I will keep the family in my prayers. Margaret was a very sweet lady. She used to work with my mom at the Post Office and she always took care of me when I was there. She will truly be missed.

“ I'm so sorry for your loss. I worked with Margaret for many years at the Fayetteville Post Office. I missed her since she retired. She was a good friend and fellow employee. She love you all so much. That's all she talked about was her child and grandchildren.
