“ Margaret was a long-time, loyal employee at GBI. She was also viewed a role model for those of us seeking guidance. She is a tremendous asset to the GBI legacy.

“ I met Margaret at Kroger's on Senior Day and invited her to First Baptist Church. She became an active member of our Joy SS class and was quick to take on a responsibility. I shall miss her sweet smile and willing spirit.

“ Margaret and I used to work beside each other at GCIC/GBI for several years. We became good friends and had a lot of laughs at times. She loved her family and her cats dearly. We kept in touch after she left GBI many years ago. I will miss my friend!
