“ *My husband, David, worked with Margaret's husband, Mike, at Playtex for many years and I got to know Margaret through their friendship. I have not seen her in quite a while but I always thought she was such a sweet person and always enjoyed seeing her.. I really liked her a lot. We had some good visits through Playtex activities and enjoyed spending time together. My love and sympathy go out to her family. May God comfort and strengthen you during this sad time.*

I always enjoyed being with Nana, as she was called by her family. She always made me feel welcomed. She was a beautiful, strong, loving lady. I can only imagine how happy she is to be with her husband and her daughter but above all, in the arms of her savior.
