“ I worked with your mom at Wesley Woods and although I didn't know her very long she will always be remembered as a blessing in my life. We had many , many laughs and she is truly one of the most observant people that I have ever met. When I think of her I always smile and remember some of the witty things that she said. She will be dearly missed by all of us. Many thoughts and prayers for all of you. With deepest sympathy and very fond memories of a wonderful lady, Lisa Dunn
