“ Donna and Janice...Linda from FL....I wrote a tribute and before I finished, it somehow disappeared here? I didn't see Marie had passed way, here on FB until just now (9/2)? We talked on the phone a lot in past months, and always thinking of other--she had kindly just sent my husband Bill a gift (also on Chemo with cancer) a month or so ago).

Could one of you please FB me or call (772-538-1069)? I am so sorry for your loss (and mine--and SO many others). I'm not comfortable calling Larry in his mental condition. I will miss my sweet and caring friend, of some 30 years, terribly too and would like to hear about her final days. Would appreciate hearing from one of you if you have a minute. Linda Bass

“ I thought so much of Marie. She was such an encouragement to me for the many years that I have known her. She had such a gentle heart and soul and was always such a happy and upbeat person to be around. She loved the Lord and shared his love always. I will miss her and my sympathies to the family as I know she will be greatly missed by you.

“ *My great Aunt Marie was always a bright light. When I was little I remember when she took us all on a fun Disney trip. She worked for them and we got to go underground and see the costumes. It was a memory I will forever cherish. She was a fighter and I will always admire that. I wish I could be with the whole family right now and we could gather around and celebrate her beautiful life. I love you all, and I know Aunt Marie is finally pain free and would want us all to smile. Love Always!*

“ *Marie was such a wonderful lady, I can say she was one of my best friends. I will miss her smiling face. A few months ago she made red hearts and covered them in cellophane and took them throughout the neighbor hood and taped them to everyone's mailbox. That's what kind of person she was. I loved her and will miss her.*

“ *To the family,*

*We have had so many good times together over the years and I was always glad we had such a good relationship with you girls. When your mom left, Marie took right over; caring for you, making traveling plans and keeping you all together, showing so much love for you all. She was a very unique person full of bubbling personality and love. She was so faithful throughout her trip with the cancer, always having a positive attitude. Even when she wasn't feeling well she didn't complain but went on as best she could with her life. Rob, your mother loved you so very much and is watching over you now. She will always be with you no matter what. You may not know it but her spirit will be with you. She was a wonderful lady and I am so proud to say she is my cousin. She is no longer sick or in pain. She has a beautiful new body and is singing with the angels!*

*Donna and Janice, we love you dearly and I can only think how terrible this loss must be to you both. Hold on to each other and remember all the good times you spent together. She is also watching over you both. I can just see her with your mom and dad, Aunt Lila, my mom and dad and they are having a blast. We will all miss her but know that she is in a good place and someday we will see her again. I am so glad we have been a close family and hope we stay that way.*

*God grace to you all,

“ Mrs. Marie will forever hold a special place in my heart. She was my Sunday school teacher at Crossroads Church. She poured her time talents treasures and most importantly her love for us girls and Christ in each of us. I have many fond memories of sleep overs with a morning of yard sales she would take our group of girls on the next morning. Mrs. Marie, It has been too many years since I have seen you and wish I could hug your neck one more time and tell you "Thank you!" I shall see you again and have eternity with you to dwell in the presence of Christ, whom you shared with myself and countless others. I love you!

“ My Dear Sister Marie,  
I wanted to tell you how much I Love You and how Fun & Better you made my Life. I haven't lived one day without you in my life. Sometimes separated by distance -- but never without Love, Laughter, Tears & Caring about each others Lives. We grew up happy with our younger sister Janice. We did everything together; rode bikes to school, roller skated, sang at church, went to summer camp & talked about boys a lot ! We had so many Fun Family Reunions with tons of relatives that we love very much. You were a Great trip planner!  
Marie loved everything Life & she Lived it caring about people. Jesus has his arms wrapped around you. I Miss you & I Love you
