“ *Dear Karla, My Heart breaks to know the pain you are experiencing right now.. Mark loved you with all of his heart and you the same.. He is not with us in body but is with us in spirit.. I know he is looking down on his soul mate right now :) The love you shared was not materialistic or pretentious. The companionship you shared together is TRUE LOVE . I am greatfull that you have been able to experience that very rare connection.. I feel blessed to have been able to be a part of Mark's life and yours . I am here always for you and your family .. With all my love and prayer.*
