Mark thank you so much for reaching out to me recently when I found my son dead in the bed. Lord how time flies it seems like yesterday all of us was on comer Ave with no worry's in the world. I remember your mother getting me to going to church. Lord she was so happy when it was time for your brothers to come from marilyn to see her and your dad Mr harry. I think it was done and harry. I regret so much for at least not getting on up there to see you when you invited me. Mark I will always remember the good times from comer Ave and camp bethel all the playing you sweet pea and all of us had so much fun. This is another question I have in my book to ask one day why my friend had to go so soon. Thanks for all the good you added and thanks for your service. REST IN PEACE FRIEND and soar high with your mom and loved ones gone before. You will greatly be missed. Sweet pea I'll keep you and your family in my prayers. My heart hurts for y'all.
