“ Pat, you always stood out of all people by your cute character and your big heart, those of us who got to know you were blessed. Being the best of friends with your beautiful daughter and knowing you from a very early age, you were a big part of my life. I thank and love you for putting up with me all those years. You will be so missed. It's not goodbye..It's until we meet again...love you Mama Pat
