“ Janet. I just found out about Max. I want to offer my condolences. From Adam and Roxie Gaitan in KCK. I worked with Max at Rockie's, and Max got me hired on at TWA. Max, Tom, and I would meet at my house and go out to the horse races together.

“ Marlyn was always Uncle Max to me (Uncle Buddy to my kids, his great nephews). He took me on my first motorcycle ride, gave me my first computer (with a very large manual to go with it), sparked my interest in computers/computer science which paved my career path that I am still in today, gave me a friend when I needed one and a father figure when I lost mine.

We had no filters between us which meant a lot when I was a child and even more so after I became an adult. No matter what passed through, he could make me smile and feel that much closer to him. The memories I have with him throughout my entire life will be cherished forever in my heart. As my boys and I share our memories with each other, he will remain with us through generations.

I love you Uncle Max and miss you so very much!!

“ *My condolences to Janet and Max's family. I worked with Janet and heard of his rides to Sturgis SD. I loved seeing his bikes. I never got to ride with Max and Janet, but I feel it would have been fun. Max you take that rainbow ride to Sturgis! Will miss you and the endearing stories.*
