“Karl: Cindy and I were sorry when we heard that Mrs. Martha had passed. She was one of our deacon families. I spoke to her the Saturday before she went to Christian City just to tell her we were praying for her. Of course she was gracious as she always was when we talked. Although we have not had church of late you could always count on Mrs. Martha being there for breakfast on Sunday mornings and then Sunday School . God blessings on your family at this time.

“I always loved Aunt Martha, she had an infectious laugh and personality. I can remember her brushing my hair when I was younger and letting me play with hers. She always treated me like her daughter. My thoughts and prayers are with you Karl and your family.

“ When I was a baby I couldn't say Aunt Martha. It came out Alfalfa. So from that day on she was my Aunt Alfalfa. Every time I saw her she would say " You better come here and give Aunt Alfalfa a hug" i loved her very much and she will surely be missed by many.

“ *I always loved Aunt Martha. To me, she was so beautiful and such a fun person. Mom and I ran into her a couple of months ago. Even though I'm sure she didn't feel well, she still had that big smile for us. Prayers for all of you.*

“ *I remember as a young man, many years ago, my Mom (Joyce) had been living out of state and came in for Christmas, She always took us to Visit Aunt Martha and usually surprised her, as she did this year. Being Christmas time and being surprised Aunt Martha had no time to shop or get gifts, but I will never forget Her and Uncle Karl bringing out a giant jug of change and let us boys grab as much as we could for Christmas, She always had a way to make things bright no matter how bad they seemed, Thank You Aunt Martha, We Love You, the Mooney's from Godley TX*
