Martha was one of a kind. I can hear her laughter now. When the children were younger . She and Mike were always there to help guide all the youth in the right direction. We send our love to Mike And The family our love and prayers. Thanks for the memories.

“ We met in 1971 working night shift at Coweta General,we were always into mischief, running around together,camping at Jackson Lake at the Ridgeways, drinking Boone's Farm Strawberry Hill, hanging out in Gypsy Woods, taking a crowd of people in and sleeping on her parents living room floor,and they would find us the next morning riding motorcycles (she taught me to ride) introducing her to Mike,we did some of everything and if I didn't see her for a while we could pick up and start a conversation like I had seen her the day before. She was a great friend to myself and my family and I will always have great memories of the good and not so good times we have shared. Love you my friend!
