“ Dearest Gene, I have just now found out about Martha's passing..... I am so sad, and I know you must be devastated. I don't know what to say, except, the world will "miss" a very "special" lady. I have known and admired you both for so many years, and I just can't seem to comprehend that Martha has went on without us. Praise God, He has yet again, taken one of His own Angels home. I will never forget her or her smiling face. My sympathy is with you and Jess, and if ever you would need me for anything, please don't hesitate to get in touch. Much Love, Virginia

“ Dear Gene and Jessica The loss of Martha came too soon and we were not ready to let her go. But the Lord knew it was time. We will miss her “southern twang” and her big smile. Martha loved the two of you more than you will ever know. It was always...”Gene and my child”. You both were her world and she would want you to know that she is watching over you. Las Vegas will never be the same. Martha made living here...fun. Moon and Linda

“ Gene and Jessica, Words cannot express how much I loved "Mac". I will miss her very much. She was like a big sister during our high school years at Tallulah Falls. I'll be the first to admit that she kept me out of trouble many times--all she had to do is raise her voice just a little (in kind words....) and I immediately "paid attention", and then next she would smile, and then laugh, and then finally point her finger to be sure you were listening! Thank you Mac --what would I have done without you! Mac loved and cared about all of her family and friends! She never met a stranger - -everyone was special in her eyes! Geez, we had some great Parrothead days as well....trips to the beach, Vegas and the mountains! And Gene, I'll never forget the boat trip at Hilton Head. That was truly a memorable trip! Always remember that Mac will be in my heart. I'm sad to know that she is gone, and I can no longer call her. I will miss her encouraging words and her cheerful smile. I'm so blessed to have had a friend like "Mac". And, I thank you both for sharing her with Rory, Landon, Howard and me. We're praying for you, friends and family. Much love to you both. God Bless, Missy
