“ Franklin & Mary and to all of Sybil's family, I am so sorry to hear about the death of Sybil. I had not heard or I would have come to the Funeral Home. When Mrs. Myrtle was in Avalon I would visit her and I would see Sybil then but haven't seen her in a while so I did not know she was sick. May God Bless each of you with His comfort and peace and give you strength in the days ahead. We use to always kid about having the same name; but spelled different. She actually passed away on my birthday and I bet her Mrs. Myrtle, and my mom Myrtle is having a reunion in Heaven now. Sorry I didn't make it to the service. Love & Prayers for all of the Family. Love in Christ, Syble Storey

“ I am heartbroken. I have only worked at Brookdale for two months, but have had the pleasure of getting to know Sybil. She was such a sweet, wonderful lady and will be truly missed by all of us.

“ I am thankful I got to know Sybil, not only because she was who she was, but because her sister, Myrtle, worked for us at Blimpie and became a good friend. I live at Brookdale and have for nearly two years, so I saw her almost daily. One day, I heard she was nervous because of an operation to come so I went to her table and talked with her about it...I'm not sure, but I believe I prayed with her. I went back to my table and thought I SHOULD have left her laughing. I returned to her table and shared a sonnet I had just read...I was taking a poetry course. I don't remember it, but it was about a man being given some nuclear medicine and they found his head in Brazil. I cautioned her not to take any nuclear medicines and we all parted laughing. As soon as she had the operation or procedure, she came to me and told me she did NOT take any such medicines and all was well and we had another good laugh. I shall miss her.
