“ Oh how I enjoyed Aunt Sue's cooking and having cups of coffee and lots of fun conversations with her, Gary and Joan. It had to be quite the reunion when she got to heaven. Memories are what we have to get through the most difficult times. Much love to Joan!

“ Joan, we are so sorry for your loss.

My favorite memories of Aunt Sue were being there in the summer when it was time to pick vegetables out of Uncle Ed's garden. We would all sit on the front porch and shell butter beans. When we finished Aunt Sue would send your brothers and me out to the barn to ride horses or play ball in the side yard.

Our prayers and thoughts are with you and your family.

*We love you,

My deepest sympathy for your loss Joan. I loved Aunt Sue very much! I have so many sweet childhood memories of her and Uncle Ed. Several years ago they both came to visit us Fayetteville with Aunt Helen and Uncle Charley! We had such a wonderful day! I know she is enjoying a heavenly reunion with Uncle Ed and your brothers. God bless and comfort you.

*We love you,
Kim and George*

Your sweet Mama will be sorely missed Joan. Of course by you the most. I can remember going to Granny's at Christmas time and your daddy would go set up your mama's new washer or dryer or some appliance for her and surprise her! What a pair they were! Your daddy could convince us kids that Santa was flying over and I could swear I saw the sleigh in the sky! Oh the sweet memories of our childhood. I love you Joan and you are in my daily prayers.
