“ *I am so sorry for your loss. He definitely had a large and caring family surrounding him with your love. Lynn, I can remember you had told me in the past, that he would drive you guys to the airport and drop you off for your flight. So you definitely kept him involved in your lives. He lived a long and happy life. Though he is in heaven now, I know the loss to you personally is great, may God comfort and show HIS love to you all during this time.*
