

Mary Adams

October 20, 1953 - January 2, 2022

Mary Lowe Adams, 68, passed away suddenly on Sunday January 2, 2022 at Newnan hospital with her husband and daughters surrounding her with love. She was the youngest of her siblings, born October 20, 1953, in Hinesville, Ga. She was also very small so she received the nickname "Bitsy" known to all her family and close friends.

The family moved to Homestead, Fl in 1964 where she attended elementary, middle, and then graduated from South Dade High School. In 1972, Mary met her future husband, Mike while he was in the USAF. She was cleaning horse stalls barefoot when they met, which created many jokes in their life. They were friends for 50 years, and were happily married for 49 years. She was the pack leader for the family and all the pets in the household.

After a brief move to St. Louis, they moved back to Homestead in 1973, and in a few years to Naples, Fl. for 11 more years where her twin daughters, Heather and Leslie were born. In 1987 the family moved to Pace, Fl. just outside Pensacola. This would remain her home for 32 more years until relocating to Newnan to be near her daughters again.

From the beginning she had an affinity for animals, especially horses and dogs. She had the ability to settle excited horses, and get dogs that were afraid or hesitant to trust her and calm down. She had patience that was

boundless, as her family can attest.

In her childhood and early teens, she avidly attended to her horses or any others with a zest and vigor for even the most menial stall cleanings. As an adult, after her own horses were gone, she maintained her interest and association with equines by volunteering at the Panhandle Equine Rescue just outside of Pensacola. At least every other day, and usually more, she would drive to the farm just to clean stalls and care for or groom the horses. She maintained this until she and Mike moved to Newnan.

While living in Pace with her family for those 32 years, Mary worked at Fisher-Brown Insurance in Pensacola for 26 years in the accounting department, making sure that the finances she handled were correctly applied for customers and the agency. She retired in 2014 so they could travel and enjoy life together.

Mary also loved to travel, and taking cruises was one of her favorite ways to get out and see different places. Her favorite places were the Caribbean, and Alaska. Unfortunately, she left this life before getting her wish to see England and Hawaii.

Mary was preceded in death by her parents, Henry and Rudine Lowe, and brothers Jimmy and Danny.

Left to remember her love and patience are her husband, Mike, twin daughters, Heather and Leslie, granddaughter Bridgette, grandson, Robert, and sister Sunni Freeman. Many cousins, nephews and nieces remember their aunt "Bitsy".

The family will receive friends on Saturday, January 8, 2022, from 2:00 PM until 5:00 PM at McKoon Funeral Home, 38 Jackson Street, in Newnan.

The family requests that instead of flowers, any funds that would be spent be contributed to Panhandle Equine Rescue in Pensacola, Fl. The email is: rlowery@panhandle.rr.com The contact person is Diane Lowery. Website: <http://panhandleequinerescue.org>

“ I was so sorry to hear of the passing of this lovely lady. I was fortunate to have had the opportunity to work with her at Fisher Brown in the accounting department for the last two years of her career. She was always so helpful and patient with me. She was fun to work with. I am going to miss wonderful laugh.

God bless Mary and all of her family.

“ While I did not know Mary personally, I am very sorry for your loss. Mike was the best man at my wedding some 50 years ago. He was a great friend while we were growing up. I am sure he was a great husband and father. Find comfort with each other and remember her love for all of you.

Mike and Mary lived next door to my parents when they lived in Pace. Both of them were generous with their time and wonderful neighbors to our parents. So sorry to read of Mary's passing and our thoughts and prayers are with the rest of the family. I still remember the puppy dogs and seeing the horses at their house.

Mike, you know there are no words to say that will comfort you. My Mary and I loved the two of you very much. It was good talking to you Friday, and I know you are hurting. So glad we had dinner on the 19th. She was the love of your life and she loved you very much. Mary and I are here for you, and when you come to Pensacola, our house is open to you. Love you.

*Mary was a great friend to our parents. She and Mike lived next door our parents in Pace and was always there for them, even more so as they aged in their lives. Our parents loved their afternoon card games and fellowship with them. I can not think of any greater neighbors for our parents
Very sorry to hear of Mary's passing, our prayers and thoughts are with Mike and the family during this difficult time.*
