“ Kathleen was a friend and neighbor for many, many years. She was always such a kind and loving person. I never heard an unkind word come from her lips. I know she will be greatly missed here. She loved her Lord and is home today. I pray for the family that God gives comfort as only He can. You all have the assurance that she is home with the Lord Jesus Christ and that you can see her again one day. She is more alive than she's ever been. She is home. --Dr. Gene Minix.

“ So much of my early life was spent with this sweet lady and her family. So much so, that the entire family was as if they were my own. In my youth, both Franklin and Kat treated me like I was one of their children. Working in the store in my teenage years, Kat made my lunch a many of Saturdays, when she made Franklin's. The memories of sitting on the front porch steps in the summer evening heat with Hall family floods my mind. Life in Major, Georgia will never be the same.....
