“ Ed , I am so sorry to hear that your family has experienced this tremendous loss. Sandi alerted me early today.....our circle of friendship from our previous employer can never be broken, can it?. And this is one of the reasons why - so we can attempt to comfort and love each other. When we last talked, I never envisioned this would be the next message. May God wrap his big arms of love around all of you and give you strength for the future. Julia Ivey
