“ My deepest sympathies to the Family. We grew up together, and I have a lot of fond memories of us playing together when we were children. As we got older and families of our own we didn't see each other as much. I went to Kason when she was working there, and it was such a pleasure to see her. She had such a sweet smile and it was just as if we had never been apart. She was still the same, and I loved her still.

I will be praying for you all during this time for strength and peace. May memories of her bring you joy. Much Love to You All from me , my Mother (Aunt Janett Smith), and Brother (Barry Smith)
