“ Mrs. Louise was one of my customers at the Farmers Market. I loved being around her and missed seeing her the last couple of years. She was a hoot who told it like it was. I'm so glad our paths crossed and will have many sweet memories of her.

“ From the time I was a little girl, Aunt Louse always treated me with kindness and respect. She was always interested in my life and celebrated my happy moments with wedding and baby showers and homemade quilts. She was always ready to sit down for a chat, asking questions to find out how I was doing. At times, with love reflected in her eyes and voice, she would offer wise counsel. But I know I wasn't the only one she loved and cared for in special ways. She and my Uncle Lyndon gave so much to so many people. I know she has left her touch on this world and many will miss her, especially her family.

“ My heart is still aching knowing she is no longer here on earth, however, there is such peace in the knowledge that she was greeted with open arms of our Lord and Savior and next in line was her sweet husband. She is Healed! She is so happy. I pray this knowledge will give your family great peace in knowing you will see her again. With much love,
