“ Greg and Susan, we are so very sorry for the loss of your mother and pray that you will feel the strong presence of the Lord in your lives as you both mourn the loss of your mother and celebrate the end of her fight and her peace in heaven. Our deepest sympathies to you and your family.

“ Today, especially, I'm praying for you, the family, of my friend Marry McGinnis Murphy. Mary was dear to me. We went through high school at EHHS together. She was a special person as you, I know, agree. She looked so beautiful in January of this year, when I last saw her, that it is difficult to accept that she is no longer with us. However, I rejoice in the fact that her spirit is now with her Savior. Hang on to your precious memories and know the Lord as you Savior and one day you can have a rejoicing reunion filled with joy beyond belief. May He give you comfort and peace through out the coming days.

“ It was sad to hear of Mary's passing. We went through most of our school years together at Lula Elementary and East Hall High School. Several of our 1964 class members are communicating and expressing our sadness over losing a treasured friend. All of our lives were touched and brightened by Mary.

“ Dear JC and Boys: As Albert Einstein said, "Our death is not an end if we can live on in our children and the younger generation, for they are us." Our bodies are only wilted leaves on the tree of life. Your Mother is alive in you and your children. I truly loved Mary with happy memories. In Christ, Iris

“ I was Mary's high school classmate. She was a kind and loving person. I know she will be missed by many. Cherish the memories and take comfort in knowing that Mary is in more pain, and no more suffering. It won't take away the loneliness, but it will get you through one day at a time. God bless you all.
