“ Kealea: I was sorry to hear of your grandmother's passing. She was such a wonderful person and she loved you so much. I remember the conferences with her when you were in my 2nd grade class. It was so evident how much she was devoted to making sure that you were a good student. It was then that I realized how gentle a person she was. In the past couple of years I saw Midge again when she and her group of ladies catered some of our Delta Kappa Gamma meetings. I'm so glad that we became reacquainted. Midge was still bragging about you and I was happy to hear that you were doing well. She is smiling down on you and will continue to watch over you. I wish that could have attended the funeral but was ill. Know that my thoughts and prayers are with you and Midge. With love!

“ I miss my Aunt Midge so much. I have such wonderful memories from my childhood and teenage years. I spent many a summer with her and Uncle Jack at their home in Oklahoma. She was like my second mother and I cherish those memories. Her wonderful laugh is something I will never forget. My heart aches for my Uncle Jack and my cousins Jeff, Steve, and Kealea. But she is healed completely now and bringing joy and laughter to Heaven above. What a wonderful thing to be with our Lord. I am thankful for the blessing of the wonderful memories I have of her. Uncle Jack, Jeff, Steve, and Kealea please know you are in my prayers. I pray the happy times and happy memories will soon take the place of the grief you are experiencing now. I love you all.
