“ *My sincere sympathy to Ronni and all of Matt's family in his loss. He was a friend and hard worker for my son Bob during his campaigning and would stay late, work often, go places others did not. He could be counted on to do what he said. He was faithful. He didn't seek the limeight. We knew him as a good and faithful friend. My prayers are for you to know God's peace and comfort. Blessings to you, Menlia Trammell*

“ I have known Matt for over 2 decades, although it was through my son, Bill. They were friends from high school. Matt had a big heart, which later in life showed through in his work to end inequalities with his political involvement. Matt honored myself and my son, Bill, by having me, Bill's dad stand in for Bill (who had already passed) as one of his groomsmen at his and Ronni's wedding. It meant a lot to me, and showed me Matt's true self. I like to think that was when we became friends, not just another friend's dad. Matt and I got together for his birthday in 2017 and played pool for hours, just he and I, and I got to know him better. He could be as serious as a heart attack one minute, then lay down some great, dry humor in the next breath. Whenever he had a party, he would be sure to invite Cindy and I. He would either call or text me every now and then, just to see how I was doing. Matt touched my life profoundly, and I am lucky to be able to call him a friend. Matt, my friend, you will be missed..... Frank

“ *The main thing I remember is the Christmas party that we funded ourselves. He was hilarious when doing karaoke! I saw how happy he and Ronnie made each other. They had that glow that people have when that love is really there! I hope he and Ronnie can feel the love and support completely wrapping around them! 💕💕*

I will hold in my memory forever singing our own version of the Twelves Day of Christmas at the Christmas party. I will never hear that song again without thinking of Matt and how hard we laughed at ourselves changing the words. I will ask God in my prayers to heal your hearts and carry you with me always. I love you.
