“ I want to offer my condolences to the Rowe family. It is a painful thing to lose a loved one in death, regardless of how long they have lived, and it pains our Creator, too. He has promised to bring back to life our loved one at Isaiah 26:19 "Your dead will live. My corpse will rise up. Awake and shout joyfully you residents in the dust!...the earth will let those powerless in death come to life" I hope these words give you comfort.

“ I was privileged to visit Melanie on two occasions, during her treatments in Philadelphia -- along with her children and, on one occasion, her Mother Charlotte. Our families have known each other for many years, and I immediately liked Melanie. She showed such courage and joy in the face of crisis. Clearly, she knew the love of her family and of our Lord. I am grateful that our paths crossed here briefly, and I send my love and deep condolences to all her beloved ones.

“ Dear Micah and Michala and entire Myatt family, What a joy to have known Melanie. She was caring, strong, kind and filled with a mission to bring happiness to others. She was admired and loved by many. The service today was very personal and a reflection of the love all felt for Melanie. God bless each one of you with the knowledge that Melanie is dancing in heaven and smiling down.

“ I will always remember her as the beautiful child she was when she lived in Cave Spring. Mel was such a sweet loving little girl. I know that she is healed and without pain for the first time in a long time. For all the members of her family I wish you peace, comfort and joy in the memories she left. I have learned that grief is the price we pay for love. I am sure Melanie loved with all her heart. She will be missed but she will never be forgotten. Rest in peace sweet girl!
