“ I miss you Dad. I know your looking down on me and helping me get thru this. We talked about this many times but I never expected it to be as difficult as it has been. I will always try my best to make you proud of me and continue to be a reflection of all the things that you instilled in me. If I find myself in a position and need your advice I will continue to do what I have done in the past. Ask my self what would Dad do. It has always work for me. I am working hard to get thru this and will continue to live thru God and treat every day as a good day. Someone taught me that and so much more. I love you Dad and miss you. RLTW.

Mike praised the Lord in so many ways. He was kind with a great sense of humor and he was a powerhouse at our church- always going the extra mile. We feel his loss immeasurably.
