“ Dear Tiffany, I was so sorry to hear the news of Michael. Please know that I am thinking of you and your little girl - sending my thoughts and prayers. You really don't know me but I knew your husband as a young man and such a fine man. Please know that people, even people you don't know, care and are thinking of you. Sincerely, Kathleen

“ Tiffany , I just wanted you to know that I have been thinking about you since last Saturday morning. I sat in the room with you at the hospital and watched Maddy for you, and called your friend Jason. Please know that you and your family have been in my thoughts and prayers since then. I realize that there are no words I can say to now that will ease your pain, but wanted you to know that I will continue to pray for you. May God keep you all in his loving care.
