“ I dedicate this poem to my nephew Michael!
You will be missed and we love you forever:

*I will remember the time spent with you,
The many meanings of old and new,
All the moments together we had,
Will make me more sad,
But, this had to end one day,
I don't have much to say,
Just stay happy wherever you are,
I shall be content from far,
Be happy where you are!*

Until we meet again,
