“ I was saddened to hear of Mike's departure from us but assured of the Peace that is now his. I felt privledged to get to know him during a difficult time in his life and I was glad to see him surrender all his and June's needs to God in Whom I always saw he had great faith. I missed him and June when they moved to Atlanta but again I knew it was best for them and that is another assurance that God was meeting their needs in response to his faith and trust as well as showing his deep love for June and his daughter for whom he was always most concerned. Mary Ellen I will keep you and June in my prayers as you go through this sad time. You have been a great blessing to your parents and your goodness showed through the decisions you helped them make which isn't always easy. May God pour His Peace and Love upon you and all the family as you walk this journey together. Much Love and Prayers ~ Terri Gangell
