“ *Dear Kitty,
Please accept our condolences to you and also your grandsons who loved to come over and enjoy Bill's Garden Railroad. Kelley enjoyed life so much and always had a smile on his face. I must say that Bill and I are still in shock over this. You are an angel, and you took such great care of him during his illness. May our thoughts and prayers be with you at this difficult time.
Love, Linda and Bill Crowden*

“ *Kitty, what a joy it has been to get to know Kelley and you since you joined the South Metro Rose Society 5 years ago. Kelley was such a help to the organization and his roses were so beautiful. His big smile and big heart will be truly missed but we're so glad there's no more suffering. We hope that you will not forget us and, when the dust settles, you will come back to SMRS and be welcomed with open arms. Love, Cindy & David Dale*

“ *Dearest Kitty. I was saddened to hear that Kelley will no longer make us laugh, cry or think in Mindfulness or Exercise class. I always appreciated his positive prospective and am grateful God allowed our paths to cross on this journey. Know that you win the No. 1 Caregiver Award. I hope in due time you will stop by and say hi. We miss you both and pray God's strength for you and the family as you remember a life well lived.*

*God Bless!
