“ Michelle was my cousin ! As so often happens our lives went in different directions. We caught up with each other a few years ago at a Cracker Barrel. She was just as loving as ever. I also ito meet her husband,who seemed. Very nice. We caught, up on what was going on in our lives, kids. She was the youngest daughter of my favorite uncle. I was blessed with baby sitting her sometimes. She was the sweetest, most beautiful child. She looked like an angel. I am so sad that I will not get to see her again in this life, but I know I will see her again in heaven.  
Condolences to her husband and children .

Lovingly,

“ Michele has touched every part of our house over the years. Any time something went wrong and we didn't know who to call, one of us would say "Call Michele -she'll know" and she always did. Michele always took the time to talk with us when she was here. She loved to tell us about her children and grandchildren (and her little Bella, too). She always had time to pet our puppies and give them lots of love. Michele was smart, strong, and she was a sweet friend. We will always miss her.

*Oh my. It's so very hard for me to believe. We just talked last week. She was always for me. We met in the parking lot of Lullwater Calumet 10 years ago. She did all the painting on my house inside and out. She became a good friend. We talked about her Children and the Love for her Grandbabies She would call and check on me. The last we talked it was about her trip to watch her Grandson. She was so full of Love. I will miss her forever. I Loved her*
