“ My condolences to all of you. 🙏 I am glad my sister Katrina reconnected with your dad & kept in touch past few years. I know he suffered tremendously in the last several months. He truly was such a strong man in every way. His faith in Jesus never wavered despite his pain. He would tell me he would pray his prayers before bed & listed them out. All the family & friends he loved. Well, Mike, may Jesus Christ embrace you with his love for you, your family, and your friends.

I will miss our conversations. Thank you for being a great neighbor in sterling heights.

"Eternal rest grant unto Mike, O Lord, and let perpetual light shine upon him. May his souls and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen."

Until we are neighbors again. Rest in Peace.

“ I knew Mike from Garden Cove in Ft Myers, FL. If he saw me walking my dog while riding his trike, he would ride along with me. He would also carry treats for the dogs - my dog would get so excited when she saw him! I also enjoyed listening to his stories about Italy and after he immigrated to the US. He will be greatly missed. Ride your trike in Heaven Mike. RIP

“ Whenever our family was down at Garden Cove a smile came over our faces as Mike was always one of the first people we would see upon our seasonal arrival. This was especially true for our kids, whom Mike saw grow up at GC.

He would ride by and check in on us daily (and everyone else, LOL). We genuinely enjoyed our time with Mike who was affectionately known as "Mike on the Bike". He had a great memory for the conversations we shared over the years, and his stories were always worth the listen.

Trust in knowing he was a true friend to the GC community. Our family loved Mike, and we will truly miss our friend, he was good man.

May God bless Mike and the entire Melfi family.

“ We will miss talking to Mike, and seeing him out on trike daily at Garden Cove. He was an inspiration.

“ I lived on the same street as Mike. He rode his bike by several times a day, always smiling and ready to talk. He will be missed at Garden Cove!

“ So very sad to hear of Mike’s passing. I always looked forward to visiting with him when my family visited our in laws at Garden Cove. He reminded me of my late father. They both had the beautiful Italian accent and sense of humor. So sorry for your loss. May he rest in peace.
