“ I am so sorry to find out that Mildred has passed away,I have missed her so much these last few years . She brought me so much enjoyment over the years ,and we worked on the Mapp family together, I loved her very much. I have every letter she has ever writen me , I will miss her very much, as she is now another precious member of our family gone. She had such a love and faith in our Lord, and now she is with him and those she loved so much. I love you Mildred , and will always miss you.
