

Frank Jones

September 15, 1937 - April 30, 2026

Milton "Frank" Jones of Sharpsburg, GA, passed away on April 30 at the age of 88. He was born in Cobb County and grew up primarily in Atlanta. Frank served in the US Air Force, working in air crash rescue. He continued to save and protect lives for 35 years as an Atlanta Police Officer and Detective. Following retirement from APD, he worked as the head of corporate security for EarthLink.

Frank's happiest role was as a husband, father, grandfather, and great-grandfather. He is survived by his wife of 48 years, Vicky Jones, and the multi-generational family they built together. Frank was a walking encyclopedia when it came to military history, all previous wars, and true crime history. Family and friends loved being entertained with the many stories, both serious and comical, of things he experienced in his long law enforcement career. He will be deeply missed by all who knew and loved him.

Frank, we're all going to be lost without your daily weather updates and predictions.

In lieu of a funeral, the family will host a celebration of life at a future date. Check with Vicky or her Facebook account for updates.

“ Frank did an excellent job of protecting the Jones family, their friends, and their dogs. This includes anyone lucky enough to own a Vykon dog. We could take off to the dog show care free, because Frank was there to guard the home front. Someone stole your malamute, Frank went looking and got it back. Trouble with just about anything Frank knew how to make it go away. The world will surely miss Frank and I know I surely will. He has been a good man his whole life.

“ I was at work one day when Vicky called. She said Frank was in Pasadena, California on business with EarthLink. So my dad and I picked Frank up for dinner at his hotel. What a nice man. He called Vicky the dog lady. It was an evening I will never forget. Heaven is now a better place. My condolences to Vicky and the entire family.
