“ Megan and Mrs. McRoberts- I was sad to learn of the passing of Mr. McRoberts. It does not seem that very long ago that Megan and I were in highschool and y'all were living on Lee Street. Time sure does go by fast. Y'all will be in my thoughts and prayers. All my best, Lynn

“ Dear Alva, I was so sorry to have received the sad news about Milton today. I remember Milton and myself having long political discussion between classes at FDU, drinking coffee and smoking Marlboro cigs - coffee good - smoking not so. We took many classes together particularly Electricity and Magnetism and our professor being a pain. But as time went on I had the pleasure to meet you. Over the years I appreciated receiving his cards. I had hoped when we were in GA visiting my daughter that we could get together at some point. Lesson learned - don't wait too long. So sorry for your loss. My thoughts and prayers are with you. Maris
