“ I just found out about Buddy's passing, and I am so sorry to hear that he had suffered with cancer. I feel like you were all family, growing up in church and at each other's house so much, I love you all, and I share your loss. Buddy was such an inspiration to all who knew him, and he was so good to my mother when she was sick....I will never forget that. And his words at her funeral made it so personal, I can picture that reunion in Heaven now. Frances, Syble, Juanita, Larry, Louis, children, g-children... all know that you're in my heart and prayers.
