“ I was born on East Newnan Road, just across the street from Miss Myrl and Mr. Trent. My grandparents Carey and Clara Denney and my aunt and uncle William and Edna Butler lived on East Newnan Road as well. I married in 1982 and lived next door to the house where I was born and was still across the street from Miss Myrl. My earliest memories are of Mr. Trent playing with his golf clubs in the front yard and I always was amazed to see them leaving in the Model T car. I enjoyed so much being a neighbor with Miss Myrl and enjoyed hearing her stories of the mill and of her family and friends. We always enjoyed looking across the street and seeing her beautiful azaleas and other flowers in her yard. My wife Joy and our three children have wonderful memories of visiting Miss Myrl and Steven was her "yard man" during his teenage years. Since we always have lunch at church I tried to fix Miss Myrl a plate of food on Sunday and she was always so appreciative. I tried to put a little something on the plate for Dollie too! We moved to Moreland 5 years ago and hated to move away and leave Miss Myrl but it wasn't long before she had to go to the nursing home. I visited her the first of last year and though her mind was not good she amazed me with her ability to move about the halls in her wheel chair. She was an amazing, hard working lady and I count it a priviledge to call her my friend. Many things are worse than death and I think her passing is a sweet release and she is now in the presence of her Lord and Savior and what a glad reunion it is with her loved ones there. Praise God from Whom all Blessings flow!! With love and great respect Mark S. Puckett
