“ The Goss Family, I want you to know you are in my thoughts and prayers. I met Mrs. Goss when her son went out of town and I was her caregiver for a week. I enjoyed getting to know this precious lady and in that short time I was with her, she shared so many stories about her life. What a wonderful time I had and was blessed to know her. “ Words just will not do it. Your Mother was a special lady. I'm so happy she is out of pain and enjoying her 'heavenly ambrosia'. The void doesn't hurt quite as much when we know how happy she is. Our precious memories are our priceless treasures.
