“Nadine was my teacher and dear friend, she showed me the true power at DFCS when I came there in 1980. She was a protector for those she loved, be you family or friend, even though she was only a few years younger than me, she always held my respect and admiration for how kuh she cared about people. Her sense of humor brigfhtened many a day. She was right there after her retirement, that every needy child had Xmas, by helping Frances and Henry Smith with the foster children's Xmas donations and sortng. She lived her life simply but honest and expected all of us to do the same. A ray of sunshine has left our presence to shine in Heaven for always.
