“ To the family members of Nancy, we wish to express our love and prayers. We have known Nancy and her family ever since she was a little girl about 7 years old. Her mother and I were very good friends and worked together for our children in the Camp Fire Girls association for at least 9 years, or at least through the 9th grade. We enjoyed many good times together in the Camp Fire Girls activities as well as our families get together for pool parties at our home. Sara Baker, Nancy's mother, watched my younger child, Virginia, after school on occasions when I had to work. Our love for this family cannot be expressed enough and I am sure the loss of their loved one will hurt a long time. But we serve a God who gives us that Blessed Hope and we will all hold onto that. God Bless you Shannon and your extended family. Love to you all.
