

Nancy Ann Kory

May 2, 1956 - July 2, 2020

Nancy Kory rocked the world of all who knew her when her generous and loving heart suddenly stopped beating on a hot, humid July 2, 2020, afternoon in Grantville, Georgia. She was mowing the back yard, one of the things she loved to do outside. All of those who have worked with Nancy over the years will recall that tenacious, hard-working spirit that was so characteristic of her. She always had a smile, a word of encouragement, or a corny joke for those who were fortunate enough to share her space.

Nancy was born in Mobile, Alabama, and grew up in Albany and Macon, Georgia – a true southern girl. She attended Georgia College in Milledgeville (now Georgia College University, Milledgeville) where she earned a bachelor's degree in Education. Nancy taught physical education in McRay, Georgia, for two years, then she hung up her coach's whistle and headed to Bell South, where she remained until retirement. She was full of funny stories about her Bell South folks, clearly demonstrating how much she loved them.

Never one to sit idly by, Nancy filled her retirement years with work, first in real estate, then as the sole proprietor of Brand Affix, a promotional products firm. Nancy loved sales because Nancy loved people!

Nancy is survived by her partner in crime Greer Carter and her beloved cat Athena and huge German shepherd Aries. She also leaves behind two brothers and their families, Robert Kory (Sandy) of Katy, Texas, and Richard Kory (Carolyn) of Macon, Georgia, along with a tight knit circle of loyal friends. She was predeceased by her father Francis Kory and her mother Evelyn Ruth

Dorschied Kory.

Condolences may be expressed to the family at www.mckoon.com.

A private, graveside celebration of her life will be held at Forest Lawn Cemetery in Newnan, Georgia.

In lieu of flowers, the family requests that gifts be made in her memory to the Newnan Coweta Humane Society, 608 US-29, Newnan, Georgia, 30263.

“ *I still am in disbelief that Nancy has passed. I have not been in contact with her for many years and it must have been 20 years since I last saw her. She was my tennis coach in McRae when I was a senior. We spent many weekends fishing at small ponds in McRae. I'll never forget her brown Maverick she sported around in and her Alaskan husky who would fetch his little bowl and bring to you for a fill-up whenever anyone opened a cold beer! I send my heartfelt condolences to Greer and the rest of her family! Her passing is a reminder to pick up the phone and keep in touch with friends of the past. Stacy Teate*

“Wow, we are still in disbelief. Nancy was an amazing sister-in-law. She was a wonderful Aunt to our children. If there was a special day for them Nancy would always call and send them something special. She was always making sure they would make good decisions on money and life. She was the perfect daughter to her mother. I know she is with her mother and father today. Her celebration was so sweet. Pippi and Greer did an amazing job and Pippi's words were perfect. Nancy there is a hole in our hearts today and I will make sure your brother, Richard will always be happy. Till we meet again we will always love you.
